I durst not laugh for fear of opening my lips and receiving the bad air.
- *William Shakespeare*

William Shakespeare (26 April 1564 (baptised) – 23 April 1616) was an **English poet, playwright and actor**, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. **He is often called England's national poet and the "Bard of Avon"**. His extant works, including collaborations, consist of approximately **38 plays, 154 sonnets, two long narrative poems and a few other verses**, some of uncertain authorship. His plays have been translated into every major living language and are performed more often than those of any other playwright. Shakespeare produced most of his known work between 1589 and 1613. Some of his plays were **Hamlet, Othello, King Lear, Macbeth etc.** His plays remain highly popular and are constantly studied, performed and reinterpreted in diverse cultural and political contexts throughout the world.
