

In this Issue:

- * Vision and mission of the department
- * Student achievements
- * New faces in the department
- * Graduation day
- * Jyothirgamaya
- * Onam Celebration

From the Desk of The Head

Dr. Biju Mathew, Dean(Exams), Professor & HOD

Department of civil engineering, VJEC

“It gives me immense pleasure to present the forthcoming issue of the departmental newsletter “SRISHTI” as a forerunner of department activities. The department strives to impart knowledge and training of the highest standards. We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the dynamic corporate world.

I stand awed by the sheer number of contents that have come pouring in for the newsletter. This shows the positive and creative energy of faculty members and students present in the college. My sincere appreciation goes out for the editorial team for their strenuous and sincere efforts towards putting together the myriad thoughts and dreams of our students and faculties into a meaningful and delightful visual fest. Also, I invite the readers of “Srishti” for their contribution and suggestions for the further issues”.

VISION OF THE DEPARTMENT

To develop into a centre of excellence for quality education moulding competent civil engineering professionals dedicated to the progress and development of humanity.

MISSION OF THE DEPARTMENT

- ✚ To provide quality education and training to create competent civil engineer
- ✚ To interact with industries to provide a knowledge base for existing and emerging technologies in the field of civil engineering
- ✚ To inculcate moral and ethical values among the students to mould them as civil engineers with social obligations.

STUDENT ACHIEVEMENTS

VIMAL JYOTHI ENGINEERING COLLEGE,
CHEMPERI, KANNUR
